Prince Ahmed Shows Great Speed at Empire City.

WINS IN WHIPPING FINISH

H. G. Bedwell's Five-year-old Clips One-fifth of a Second Off Six Fur- armor long Track Record, Formerly Held Nimbus-Colloquys Is Second defense of his witness, and Rose Queen Third.

New York, July 29.-H. G. Bedwell's "Not at all; because I would be careful five-year-old horse Prince Ahmed broke to avoid the circumstances." the world's record for six furlongs at Empire City track to-day. He ran the distance in 1:11 with 117 pounds on his back, clipping a fifth of a second off the best previous time, hung up by Nimbus, with 109 pounds, last year.

Prince Ahmed, incidentally, gave a remarkable exhibition of running through the home stretch. When he reached the end of the far turn he was lost, a dozen lengths behind Rose Queen and Colloquy, who were close together. Then, as these pacemakers began to show signs of weariness because of the great speed at which they had traveled, Taplan went to the whip, and Prince Ahmed, with a tre-mendous effort, got up, to win handily by two lengths. Colloquy boat Rose Queen three lengths for the place. Rose Queen was literally ridden into

the ground by Powers. He rushed her to the front and at the middle of the stretch she had nothing left and blew up. The Summaries.
